1. (S/NF) The Directorate for Foreign Intelligence, VP Management Office (VP-A), DIA, requested that DC-5 obtain approval for the declassification of a selected frame of [redacted] imagery over Nicaragua. DIA is offering this information to the President for use during an address by the President to a joint session of Congress Wednesday evening 27 Apr 83. The theme of the address will be Central America and why US Policy Should be Supported.

STAT

This imagery revealed letters on the ground spelling out Farabundo Marti National Liberation Front, the primary Salvadorian Guerilla organization. RIO BLANCO is located 75NM NE of Managua.

3. (S/NF) It should be noted that DIA is offering this information to the President. We are not sure if he will choose to use the information and/or the declassified imagery, but feel that he should have it.

4. (S/NF) Request approval of the DCI to declassify information and U-2 Imagery of RIO BLANCO Military Camp, Nicaragua to be used by the President at his discretion.
